Part II.
SUBSTANCE OF INTERVIEW DESCRIBING THE GENERAL NATURE OF WHAT WAS DISCUSSED:

In order to expediate the prosecution of the instant case, Examiner contacted Attny Gary Cohn regarding remaining issues with the case. Examiner explained the written description of the term "aryl" and that there was no specific definition of this term in the Specification. Examiner also explained to Attny Cohn of an obviousness double patenting issue over US 7,541,307 and that a properly filed terminal disclaimer would have to be filed. Attny Cohn considered issues discussed but respectfully could not take immediate action because he had to consult with his client prior to reaching any agreement. Examiner appreciates Attny Cohn consideration of issues and will send an Office Action which will include the aforementioned issues.

Part III.

- ☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.
☒ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.
